

## Friends of Baptist Mission Australia

Friends of Baptist Mission Australia are warm and welcoming groups who partner with global mission and intercultural workers.

We are passionate about living out Luke 8:1-3, where Jesus shared the good news and many followed and generously supported Him out of their own pockets.

This is what we do – we love, pray, give, share, and spread news of how our amazing God is getting His Word out among communities around the world.

We are a three way partnership - God, our intercultural workers who go out on our behalf and ourselves who give and support. What a privilege to be involved in this life-changing ministry with the Father and His people.

### REGIONAL GROUPS

We invite you to join a Friends of Baptist Mission Australia group.

Current locations:

Central Coast | Cumberland | Gloucester  
Hunter Region | Northwest | Warringah
