

Save Your Stamps

Help raise funds for Baptist Mission Australia by collecting used stamps.

Stamps are sold to dealers and collectors and the money raised (over \$70,000 annually!) goes directly to our life-transforming work.

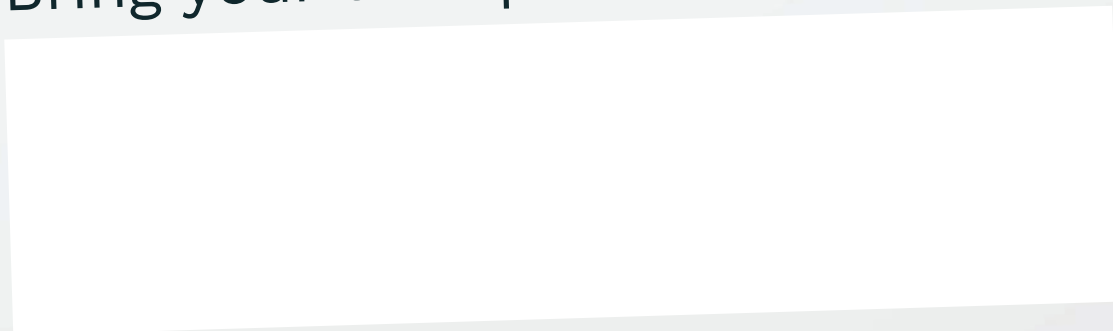

At Baptist Mission Australia, we believe that nothing matters more than sharing God's love for the world.

Our passion is to share the gift of Jesus and see Him embraced by all people around the world.

With deep compassion and cultural sensitivity, Baptist Mission Australia exists to see vibrant faith communities following Jesus in their own distinctive ways.
